

● did we make choir?

Hopeful candidates for Tenth-Grade Choir wait eagerly outside the music room to discover whom Mr. Martin will choose. Students, who are chosen on the quality of their voices, will receive subsequent training to improve them. Those interested and proficient will continue singing with other groups such as A Capella and Senior Choir while more eminent ones take leading and solo parts. It is a privilege to belong to one of these organizations and members keenly enjoy singing, working, playing together.
