● The Freshman Basketball Team finished its season this year with a record of seven victories and six defeats. The quintet drew a second in the league by twice defeating Hughes, Woodward, and Norwood and splitting two games with Central. The starting five were composed of Kinder and Ernst, guards, Miller and McDaniels, forwards, and Lanky Plunkett, center. Coach Hedges has done an excellent job of making these boys into a smoothly operating club. A successful first season bodes well for future Withrow teams.
