

## ● these teams round out our sports

● Three sports that the average Joe Fan of Withrow doesn't hear much about are the Golf Team, the Gym Team, and the Bowling Team. The Golf squad, under Mr. Owens' guidance, has a city championship to defend. "Strike," "spare," and "nine in the eighth frame" are familiar words around the

alleys when the bowling team is in action. The team finished second in the PHSL. Horizontal bars, side horses, or any other piece of gymnastic apparatus are child's play for the boys who comprise the Gym Team. Mr. Renshaw works out with the bowlers; Mr. Gilliland, the Gym Team.
