● girls have best in sports

● Through informal work and play, the gym teacher becomes personable and interesting. These teachers, real friends of Withrow girls, help the girls develop their personalities and accept their responsibilities. ● One of the first signs of spring seen around Withrow is the beginning of baseball practices. All the girls of G.A.A. eagerly await the approach of this typical American game. Baseball brings out a spirit of competition while teaching group cooperation and good sportsmanship to the girls who play.

Come on in, you're safe!
