with its operations in the state competition. The record established by the members of the band and of the ensembles is one of which every student at Withrow may be proud. Yes, the band certainly looked colorful during the football season as it worked out the intricate formations and everyone thrilled to the stirring music. But behind all this, each member of the band had contributed long hours of painstaking practice. It is this spirit of determination and desire to do the best that has made the band what it is today—one of the outstanding performers in the state.
