

● If the need should arise for "fancy talkers," masters of debate, or extemporaneous speakers, Philologia has a supply of them. This society is the oldest student organization at Withrow and is under the guidance of Mr. J. Garner Srofe. The membership is limited to Junior and Senior boys who stand relatively high in English. The year's highlights are the Scribber-Philologia party, with its impromptu speeches, and the spring picnic.

● The members of Camera Club meet with their advisor, Mr. Gates, to further their interest and ability in photography. Withrow's "Shutterbugs" augment their skill through helpful lectures and group experiences.
