

THE MADRIGAL SINGERS -- THE GOAL OF ALL TENTH GRADE CHOIR MEMBERS

The Madrigal Singers, a special choir founded last year by Mr. Martin, is a select organization at Withrow which takes the opportunity to bring enjoyment to other groups and clubs. Determined by "try-outs" among A Cappella Choir members, each voice section is virtually comprised of soloists who by themselves would be an attraction. One might find Mr. Martin with his baton directing "Madrigal" on Tuesday afternoons in 119. Last spring the first Madrigal Choir at Withrow took part in the state competition, which it won on its initial entrance. This year the choir hoped to repeat their victory . . . One of the preliminary steps that may be taken toward becoming an A Cappella Choir member is to belong to the Tenth Grade Choir, founded by Mr. Martin for potential singers in the Glee Club or A Cappella Choir. This music class begins with vocalizing, which Mr. Martin thinks is priceless for correct, efficient voice production. A great amount of enjoyment and instruction is derived from membership in this group under Mr. Martin's direction.
