

NUTCRACKER SUITE BALLET ADDS TO CHRISTMAS FESTIVITIES

The collaboration of the Senior Dance Club, Thailian, and the Withrow orchestra produced a sparkling Christmas story of enjoyable interest to everyone at Withrow. By identifying the themes in the "Nutcracker Suite" with her dolls, "Marie" gave inception to the music. The orchestra was effectively guided through the correct chan-

nels of the difficult music; while the Senior Dance Club blended the play and the music into one harmonious picture. The most entertaining numbers were the solo dances by Florence Eyman, Barbara Jo Boone, and Janet Moeller. Our thanks go especially to Miss Rosenberger for this fine and superbly directed production.
