## ALPHA Y GIRLS ARE INTERESTED IN GOOD FELLOWSHIP AND CHRISTIAN IDEALS

Alpha Y is an active organization for freshmen and sophomore girls who wish to learn to work and live together and to become better citizens. Miss Monica Caveman and Miss Catherine Molique, sponsors of the club, and its president, June Whitaker, are proud of the many interesting and important activities un-

dertaken by Alpha Y. Besides working, these girls find time for a great deal of wholesome entertainment. Alpha Y, together with Tower Y, for junior and senior girls, make up the Y. W. C. A. organization for girls at Withrow. To promote fun and good fellowship, these groups often combine their social activities.
