WITHROW PLAYERS STAGE ANOTHER HIT PLAY--"YOU CAN'T TAKE IT WITH YOU"

In the minds of many Withrowites, "You Can't Take It With You" will be remembered as a splendid production. The work of the cast, the superb direction of Miss Carol Routsong, and the cooperation of all Withrow Players made for one of Withrow's best pro-

ductions. The scenery, the lighting effects, and the collection of typical properties made the show seem life-like rather than artificial. The humor of Penny, the sincerity of Grandpa, and the love between Tony and Alice aroused the interest of everyone.
