The vast majority of Withrow's courtsters, at one time or another, gathered points for the Freshmen and Reserve teams. Acting more or less as a training stage for the regular team, the two younger groups of boys follow an almost identical schedule and play under conditions similar to those under which the regular team plays. Thus, by playing on these squads, boys who have had no previous experience gain a wealth of knowledge that will prove invaluable when they graduate to Mr. Wichael's senior squad next year.

FIRST ROW: D. Ernst, H. Bailey, H. Yee, B. Mitrof.  
SECOND ROW: R. Cadwallader, F. Jordon, B. Henderson, Mr. Wichael.
