Directing activities of the Orange and Black swimmers is the duty and privilege of Mr. Wirth. The Tiger water-cleavers participate in three city meets a year, contesting their ability against that of other public schools. These meets are composed of several heats each, free-style, breast stroke, back stroke, distance swimming and finally a diving exhibition. Team emblems are awarded to those who compete in all three city meets and who, in addition, have placed among the first five in each event a notable achievement!

Mr. Ray Wirth

D. Niland, G. Halvordson, T. Varrelman, R. Jett.
