POOL PALS MAKE BIG SPLASH AT WITHROW WHILE SHOWING SUPER BUOYANCY

Splash! The mermaids are in the pool once again. These girls are ready to swim—and they look it! The effortless co-ordination is a skill which makes this group of performers outstanding! It is fun to teach new stunts to add to their repertoire. After school

dips bring a sparkle to the eyes and a glow to the skin. Many girls have completed courses in junior and senior life saving and compete in the swimming ability tests for which letters are given. Our Withrow mermaids really deserve a hearty bravo for their sincere enthusiasm, and their many hours of practice.
