## A QUIET MOMENT FOR ALPHA HI-Y AND A NOISY ONE FOR THE OFF KEY CLUB

Off Key Club, sponsored by "Doc" Behrman, meets in room 120 on Mondays to further the study of instruments and the appreciation and enjoyment of classical music. Under the leadership of Arlan Tiemeyer, president, reports are given on musical instruments and members offer solo selections at the meetings.

Alpha Hi-Y is a junior boys' organization, which meets twice a month at either the Williams Y or at Knox Church. Parents' Night and talks by an ex-army captain and several ministers were outstanding events. At other meetings business is transacted and devotions are conducted by the members themselves.
