SENIOR HI-Y UPHOLDS THE CHRISTIAN IDEALS ADVANCED BY THE Y. M. C. A.

Beta or Senior Boys Hi-Y started this year with one of the largest Hi-Y groups in the history of Withrow. Headed by President George Halvordson and ably assisted by Vice-President Sam Sifers, Secretary John Hayes, Treasurer Dan Derbes, and Advisor Mr. Kenneth Vordenberg, Beta Hi-Y has made great strides in achieving its aims, developing Christian manhood.

For one of its projects, the club members collected three hundred and twenty dollars for the "Save the Children Federation." This drive made it possible for the club to sponsor two schools in Europe. This was only one case when Beta Hi-Y came through with flying colors. The work of this active organization in the field of service has been exemplary.
