## WITHROW'S SPEEDY 1947 DIAMOND SQUAD, GUIDED BY COACH GILLILAND, REVIVES

Often the resounding crack of a well-hit ball may be heard in the back playfield as the Tiger team tangles with other squads from the Public High School League. The three sacks are usually covered by Claude Wess, 1st base, Jim Neison, 2nd base, and Roy Shepler in the hot corner. Bill McIntosh at short completes the snappy Orange and Black infield. Alternating on

the mound are Earl Diehl, Tom Meacham, and Mike Giardullo, while Chuck Purificato fills the position behind the plate. Ross Cosby in left and Meacham and Giardullo, each taking spells hurling and playing the two remaining outfield positions, complete the Tiger roster. Although playing a tough schedule, our sluggers have high hopes for a very successful season.
