OUR ADEPT, SUCCESSFUL GOLFERS

A low total for one match of 309 indicated that the Golf Team entertained excellent prospects of winning the district high school golf meet this season. Its victories over Purcell, Central, and Norwood heightened the enthusiasm of the team. This group is unique in losing only one member through graduation. The boys will miss Hill but it is a satisfaction to know that the team will be so nearly unbroken. Next year should be a brilliant one for the golfers.
