THE ORCHESTRA AND THE SYMPHONETTES PRODUCE MUSIC OF SUPERIOR CALIBER

Under the direction of Mr. Earl Behrman, better known here at Withrow as "Doc," the orchestra has given several fine performances this year. Some of these are the Late Spring Concert, the accompaniment for the Nutcracker Suite, and a program on Parents' Night. This organization generously lends its talent to other clubs by providing music for their various activities, such as the Thalian play overtures.
