

Never again in your lives, seniors, will you experience such an emotion as you felt on this memorable day. Filled with sorrow and joy, nostalgia and expectancy, you trod Withrow's pathways for the last time, as students. Your Alma Mater is proud

of you and wishes you well in the years to come. In those years you will go far and accomplish great things. You will help in the making of a fine new world. But may you never stray too far to return, at least in thought, to the pathways of Withrow.
