

Miss Hall—Freshmen Girls

ABLE DEANS OF WITHROW'S PUPILS

Checking the absences is only one of the jobs which are done by the advisors. Included in their duties are attention to absences from study halls and giving out detention slips. The freshman dean, Miss Hall, has enough to do helping bewildered "freshies" adjust to the swiftly moving activities of Withrow, while Mr. Vigard spends some of his time running the ever needed stage crew. The other advisors: Miss Murphy, who has charge of the entire costuming committee for the Withrow Minstrels, and Mrs. Konrad, who is the beloved sponsor of Tip-Toppers, complete the Withrow staff of advisors.
