

THE SENIOR COUNCIL IS ELECTED TO LEAD THE SENIORS TO GREATER SUCCESS

Besides carrying out their annual duty of selecting the senior class jewelry and planning graduation, the Senior Council has sponsored the drive to buy a public address system, thus making a notable addition to our school. Large and successful drives in which Withrow participates are proposed, sponsored, and carried out by these capable representatives of their class. High grades, good character, and a fine sense of responsibility are requirements for election to this student council. In Senior Council we see Withrow's best.
