

IT'S A MATTER OF

Technique

YOU can fiddle with a camera too . . . but it takes know how to do the unusual in year book photography.

For 13 years we have helped Withrow staffs design their annuals. For 13 years we have dramatized and photographed school life at Withrow.

For 13 years Withrow Annuals have been awarded the highest honors in the year book field.

Perhaps our 13 years of fiddling with a camera at Withrow has helped Withrow achieve that national reputation.
