

## Able Officers Of G. A. A.

Assuming the responsibility of efficient management of the Girls' Athletic Association are six girls whose capabilities well recommend them for the tasks which they perform. As president, Shirley Williamson presides over all meetings and sees that the affairs of G.A.A. run smoothly. Assisting her is Laura Allen, vice-president, a vital member on all the committees, while Janie Moesta, treasurer, manages the financial affairs. By taking minutes Beattie Cadwallider fulfills the duties of corresponding secretary, while Barb Tench keeps the records and books of G.A.A.'s history in her official capacity of historian. Carefully managing the point system, Janie Messenger, as recording secretary, has as her duty the keeping of a separate card for each member and the recording of the number of points earned by each girl. These girls are representative of the high standards and wholesome spirit prevailing among the girls of G.A.A.
