

These are **the faculty** who patiently subject each bewildered Withrowite to his daily quota of declensions, angles, and grammar—the order of the thundering voice and withering glance. Science maintains that once they, too, were children; but that does not prevent our sudden lost feeling when caught hurling paperwads or lacking an assignment. Yet somehow, even without HADACOL, the faculty musters up courage enough to educate the next generation.

Row 1—Argabright, Bernice Elizabeth: Mathematics; Atkins, Dorothy Pearce: English; Beck, Virginia O.: English, Withrow Players; Bisceglia, Barbara: General Business, Shorthand, Typing; Blasberg, Grace R.: Physical Education, Health; Born, Virginia Brewer: English; Bowman, Mary B.: Algebra, Business Arithmetic; Jurgens, Joan: English, Physical Education.
