

Withrow's "football farm clubs" which develop talent are the **Reserve** and **Freshman** football aggregations. During the '50 season Mr. Hedges' yearlings won six and lost one, hitting their peak in defeating a strong Purcell club 7-0. The Reserve squad, coached by Mr. Huheey, copped seven and dropped only one. Their best showing was a 41-0 shellacking of Hughes. Both teams finished on top in their respective PHSL leagues. All game equipment is entrusted to the **football managers** who also act as water boys, assist referees, and help Mr. Wirth who serves as team trainer. Meanwhile, the **drum majors and majorettes** provide entertainment for the victory-hungry fans, while the players take a well-earned rest during halftime. The **cheerleaders** also rouse the fans' enthusiasm, and remind the struggling players that, win or lose, there's a school behind them.

gridiron razzle - dazzle
