

## girls' sports

And now turn to the largest organization in Withrow, one that provides wholesome entertainment, encourages good sportsmanship, and makes for better character development, G.A.A. Established in 1927 by Miss Taylor, the **Girls Athletic Association** has grown into one of the best-organized extra-curricular clubs. The 1950-51 season found Miss Blasberg managing hockey, spring archery, and Bowling Club; Mrs. Lally leading volleyball and Outing Club; softball, fall archery, and Dance Club engaging Mrs. Sallwasser and Miss Robinson directing basketball and Dolphin Club. The dependable officers of this club are Janet Bremer, President; Betty McCartney, Vice-President; Marilyn Shepler, Treasurer; Carolyn Fisher, Corresponding Secretary; Libby Curtis, Recording Secretary; and Meredith Jones, Historian. Officers are nominated in early spring by members when an election party climaxes fervent campaigning by ardent politicians.
