Practicing every Thursday after school, the sixty-nine **Chorean Dance Clubbers** learn elementary steps and poses which become aesthetic dances under the instruction of Mrs. Sallwasser and Gayle Eason. This year a very successful concert, "Dancing Through the Months," was presented. The girls enjoyed performing for the Latin Club Banquet and National Art Convention at the Netherland Plaza. Included in the year's schedule was a Dance Symposium at Hughes where an experienced leader introduced new techniques and variations of fundamental steps. The program was ended with a picnic at Handle Bar Ranch.
