Spanish Club "comprende" the meaning of friendship between countries. By studying the language and customs of Spanish-speaking countries, "El Club Espanol," is learning to understand and respect the people of Spain, South America, and Cuba. Under the experienced eye of Miss Eppinger, the group has rapidly become one of Withrow's more popular clubs. President Tom Puroff helped plan the holiday parties and a trip to the Spanish Inn where members enjoyed the spicy food—ordered in the Spanish lingo of the conquistadores.
