The secretaries of Withrow are as important to Withrow as are the navigators of an ocean liner. Like the ocean liner, Withrow also carries passengers—students, faculty and advisers. **Miss Cahall** aids one captain, Mr. Vigard, while **Miss Hoefle** assists another captain, Mr. Mathias. **Mrs. Draude** at the switchboard and **Miss Allen** with the Senior Office Assistants chart the course. **Mrs. Bolmer** stands by Mr. Wibur at the wheel of the sister ship, Little Withrow. Manned by such a crew as this, the passengers of the S.S. Withrow should reach port safely.
