"Sigma Gamma calls" . . . Who is it? Will he make it? These were the mumbles as the outgoing Sigs "called" the twelve most active and scholarly boys to lead the class of '53. Last fall, these boys staged the fourth annual Tiger Town Twirl. Over a thousand Withrowites made this dance the most successful in Sigma Gamma's history. In February, Sig and Dux had their traditional **progressive dinner**. At the end of the year, Sig sponsored the Senior Prom. Sigma Gamma is the goal of every underclassman. Once he has made it, no sacrifice for this honor group is regretted.
