ROW 8—D. Brandhorst; H. Brasey; J. Brauerman; G. Brawley; C. Brefeld; D. Brook; D. Brown; P. Brown; T. Braun; R. Browning.

# fusing axioms and anxieties, dream on.

Does it hurt? Are you frightened? Will we live? These are just samples of the many questions on the lips of curious sophomores, who are on their way to their physical examinations. Everyone seems to live through them, though they are considered ordeals.
