Withrow's sportsman combine athletic

The Tiger varsity again failed to disappoint fans who, through tradition, expect to see championship football. In fact, we outplayed each opponent (with the exception of the never-say-die Cavalier team down the street, who, as usual, did it again.) The guy who wrote our schedule inserted a hard-fighting Dayton Fairview team and the Black and Orange unrelentlessly rolled over them, 26-12. Of course, we defeated our rival, Hughes, in our 33rd encounter, and spirited but easy wins over Woodward, West Hi, and Walnut Hills, we travelled to the new Trechter Stadium defeating a strong Central eleven, favored by only two touchdowns. At the final gun, our season finished with a stunning 41-7 victory over Central to maintain our pigskin superiority. The Cubs climaxed a fairly successful season in third place in their league by winning three, losing three, and tying one. They had their exciting moments too, such as the 22 yd. field goal that decided the Western Hills game. The Frosh demanded special congratulations on their latest undefeated season since 1946. They were almost untouched, having only two touchdowns against them all season.
