

Richards (12) scores at Cincy Garden.

Driskell lays one up vs. Central.

Sturwold (11) sinks one from behind the backboard.

With the memory of last year's trip to the state semi-finals still fresh in their minds, the '52-'53 Tigers set out to do it again, but graduation took too heavy a toll. The loss of the entire first string left an inexperienced squad to cope with a tough schedule including Dayton Stivers and Hamilton, both ranked very high in the state. Despite everything the orange and black steadily improved to come up with a 9-11 season record and a 4th in the PHSL with a 5-5 slate. **Schroeder** took scoring honors with 200 pts. and the "Most Valuable Player" award, while **Driskell** was named "Captain" and **Sturwold** was "Most Improved Player."
