

"Flying Tigers" of the swimming and

Mr. Wirth's mermen accomplished a feat this year that makes them unusual, even for Withrow. The orange and black swimmers brought back a runners-up trophy in the Southeastern Swimming meet. Walnut Hills won the nine school meet with 80 points while the Tiger mermen captured $41\frac{1}{2}$ points to place second. In the city meet, held at Central YMCA, Walnut Hills placed first with $184\frac{1}{2}$ points and the Tigers placed second with 135. In the same meet the junior swimmers came in second with 82 points to 134 points for Walnut Hills. The record breaking relay teams of Halverstadt, Greene, Heiser, and Schroeder coupled with diver Ron Bradford and individual medley swimmer, Dave Roebuck, are hard to beat in any league.

Ron Bradford, displays form.
