Whiz! Crack! Going! Going! Gone into Tiger Town for a home run. It's none other than the **Tiger Town Nine** from Madison and Erie. With the coming of warm weather, the diamond nine took the field for spring practice. **Coach Huh-eey** worked to perfect a smooth running group of players—always keeping good sportsmanship in view. The team suffered a loss when Lee Flandreau injured his leg but it still looked like a successful season for the Tigers. The team has won many trophies during its past history.
