

Tiger Club

Tiger Club is one of Withrow's most exclusive organizations, owing to the fact that only varsity lettermen can become members. With **Ronnie Ott** as president, this group strives to keep the esprit de corps of the athletes high, as they compete in the various sports. The members may be seen selling cokes at home games, part of the proceeds being used for their annual shindig, an outdoor spring feast, while the rest goes toward its scholarship fund.
