

Decked out in original white jackets, Senior Choir prepares to sing new renditions of songs at an assembly.

The Withrow Senior Choir pursues an active and worthwhile program during the school year. Passing Room 119 you may have detected the members practicing diligently with Mr. Martin. As a result of these practices their melodious voices may be heard at half-time during a football game, at the annual Christmas Assembly, at the Cincinnati Symphony with the all-city high school choir during the holidays, or in the Minstrels. Withrow's **Marching Band** is also held high in the hearts of Withrowites. In the fall at the football games students cheer their well-executed formations, and hearts swell with pride as the "Alma Mater" is played. The Band performs at the Christmas concert, and after the new year begins, select members are chosen for **Presentation Orchestra**.

footlights. So, like a great revolving
