

Mr. Nathan Gist

Full of anticipation students stream into the auditorium to attend one of the many **assemblies**. Will it be a boisterous **pep rally**, an exciting **magician's show**, a **musical program**, or an inspiring **speech** on the values of education? Or maybe this one will be another **G.E. House of Magic** assembly exhibiting many scientific wonders. No matter what the program proves to be, it will be of interest and value to the faculty and student body.
