Fifty students with either dramatic or artistic ability compose the popular group of **Withrow Players**. At the end of each year tryouts are held for prospective members and are judged by adviser **Miss Virginia Beck** and the officers who this year are: **Marc Routt**, President; **Ed Heiser**, Vice-President; **Shirley Discher**, Secretary; **Bobby Karnes** and **Lila Mueller**, Recording Secretaries; **Al Halverstadt**, Treasurer; and **Jane Petty**, Historian. In the fall the members work busily on their annual play which this year was the smash hit "**Henrietta the Eighth**," an amusing story of an author living incognito as a secretary.
