In 1926 an ambitious group of girls founded the sorority of A.B.K., which through the years has provided many with the experience of enjoying themselves and working with others. During the '52-'53 school year, this club has sponsored both sport dances and formals, while old clothes parties, one on a "Dog Patch" setting and another with a Hawaiian atmosphere, offered fun for all who attended. All members cherish memories of A.B.K.
