

# Withrow

## 2003-2004

Change evokes nostalgia, but it also promotes hope. Withrow is in the business of nurturing a healthy generation of rising leaders. The outward manifestations of changing our school involved replacing the old with the new. New roofs, new windows, new doors and a new school-within-a-school herald a renewed commitment to public education by the people of Cincinnati. Interior renovations planned for the next few years will provide a modern learning environment where students can strive to reach their full potential. The eastside's best-known landmark will continue to hold the hearts of all who cross the bridge and pass by its lofty tower.
