

# LAW AND PARALEGAL

## Mr. Cole's Motto:

NOTHING WORTHWHILE IS EVER EASY,  
AND NOTHING EASY IS WORTHWHILE.

*The Law and Paralegal Studies course is designed to introduce students to the study of law as a career choice. The goal of the course is to develop in students through the study of law, the critical reading, reasoning, and analytical skills that can be applied profitably to life experiences; to show the law's relationship between the individual and society; and to encourage students to be more aware of their rights and responsibilities as citizens.*
