

World Language Classes

Withrow International offers six languages from level one through six. The six languages include: Spanish, French, German, Chinese, Japanese, and Russian. This year the language department eagerly awaited the arrival of Elena Vdovina from Russian by way of Tokyo. Due to immigration, she arrived at the beginning of second semester.

Ms. Hidalgo was the faculty advisor of the ICC, International Community Club, which sponsored several fundraising events, including a fall car wash and several booths at the first annual Withrow Campus Carnival.
