Congratulations to Withrow's Girls' Varsity Soccer team on the first Girls' Soccer Tournament Victory in School History! Withrow 2, Western Hills 0, Division I - Withrow gained its first tournament victory in girls soccer with Marie Byrd's two goals and a defense that didn't allow a shot or goal.

The Girls Varsity Soccer team made history this year by playing the first varsity game in school history. The team completed their first ever season by winning their 1st round Sectional Tournament game over West High 2-0. The Tigers then faced one of the nation's best teams, the St. Ursula Academy Bull dogs, and lost 9-0 in a 2nd round game.
