Dux Femina is a high school sisterhood sorority offered at Withrow High School. Members must have a high g.p.a, recommendations from teachers, and write an essay. To become a member of Dux is a lot of fun, but it does require time and dedication. Being a Dux Femina is rewarding and a life lasting experience one will never forget.

The 2003-2004 Dux community service project was promoting a blood drive. In addition this years members received the opportunity to perform their stepping routine at the West High talent show, at a hair show at the Legacy and for a Withrow pep assembly.
