

Withrow Cheerleaders

Shania Wallace, Melanie McClain, Maurisha Jenkins, & Aris Crutcher.

The Withrow cheerleaders are our school spirit ambassadors. They work hard participating in pep-rallies and cheering both football and basketball seasons. They also serve as ushers or guides when needed and are expected to show leadership and academic excellence.

Tryouts are in the spring of the year creating one varsity squad. Junior varsity cheerleaders are chosen the following school term in early September. The girls attend a five day summer cheerleading camp and practice three times weekly during the school year.
