

Celebrating the Life and Memory of Stephen James Ridder

August 9, 1983 - February 3, 2001

Love By
Steve Ridder

Love is the inseparable bond
Between orange sun rised and blue skies
Like waves crashing the moist sand
Like the flavor of a tropical fruit
Like the aroma of fresh air
Like
Like
Love is *Like*
the feeling of an astonishing
Power held within one's soul
Never
completely freed from the imprisonment
of
the mind.

*We return Steve's love by keeping
him alive in our hearts and memories..*
