

The Oral Class studies the eye, the organ of hearing for the deaf.

New methods in **teaching** blend with the high standards of the old to give Withrow a fine academic rating. Miss Ruth Grove, who has served Withrow 31 years, typifies the Traditional approach toward education. Mrs. Delores Miles employs unusual teaching procedures to help her class of deaf and hard of hearing Withrowites learn how to live.

← Bellatrix Grove, in battle array, demonstrates lines from Caesar.

Old and new entwine for academic development
