If you happen to drop in Miss Agerter's office any school day, you will surely see her assistant, **Mrs. Virginia Konrad**, whose crowded schedule includes handling withdrawals, the census, study hall roles, and sponsoring Tip Toppers.

When a befuddled "Freshie" girl drifts about blindly at Withrow, she can obtain friendly advice from **Miss Lulu Murphy**. Minstrel time finds her knee-deep in buttons and bows, as she selects costume designs and directs sewing.

During his two years at Withrow as Vocational Counselor and adviser of Freshman boys, **Mr. Roy Anderson** has given freely of his time and energy. Any pupil may receive sound advice from him on questions concerning professions.
