

Here they are: the twenty-six busiest seniors at Withrow! Yes, the **Dux Feminas** and the **Sigma Gammas** are really outstanding in every field. Chosen for their high grades, personality, and activity records, they are the leaders, the "big wheels" around school. The boys of Sig keep busy by sponsoring the Prom, electing Withrow's homecoming queen, and presenting a scholarship to a worthy senior. The Dux girls sell hot dogs at football games, give a scholarship, and really relish their parties. These seniors have attained the high and honored position that every eager underclassman some day hopes to hold.
